592 Dodge Ave NW  
Elk River, Mn 55330

As a businessman, I am in the business of selling Real Estate, selling it for a fair price.

Seller's here's how agents work; you agree upon the price and terms, I do the marketing, I close the sale.

Buyer's here's how it works. You tell me what you want, and I help you find it, draw up the paper work, then follow the transaction through to closing.

*Working with you, as your agent, lets find the right deal for you.*

*Sound too simple? Lets talk.*
